

Prism of Literature is an extraordinary attempt to bring together the different genres in a single unified whole. The book tries to present articles on history, novels, dramas and poetry. It encompasses the works recently published, having a contemporary subject matters and relevant themes. The selected works taken up for the critical commentary are highly challenging. They are so interesting and appealing that many research scholars are tempted to work on such subjects for their research. All these articles serve a typical Indian flavour along with the rich literary and cultural heritage. Some articles deal with myths and mythology, and others deal with history and various themes such as love, social criticism, woman empowerment, male dominance, female freedom, power of rulers, political whims and instability etc. The book will prove to be the microcosm of the entire Indian scenario. It is a graphic presentation of the Indian literary tradition for which all Indians feel so much proud. It really reflects the traditional as well as modern Indian society. It will certainly inspire the readers to go through the original works of the critical articles incorporated in the book. Read it and relish it to the fullest.
